CALL FOR ABSTRACTS

Introduction

We invite you to participate in the forthcoming [2023 IALE World Congress](#), which will take place in Nairobi Kenya in July 2023. The IALE World Congress occurs every four years and is the premier conference event for landscape ecologists worldwide addressing issues of landscape ecology spanning from the local to global scale. The 2023 World IALE Congress is expected to attract landscape ecologists from public, private, and non-profit sectors who will address a broad spectrum of environmental challenges and potential solutions to obviate them. The 2023 World Congress will be organized in a hybrid mode.

The theme of the 2023 IALE World Congress is '**Transboundary Resource Management, Climate Change and Environmental Resilience**'. The theme comprises of nine sub-themes as follows:

1. Transboundary ecosystems in the Anthropocene: The shared ecosystems and natural resources across country boundaries and the anthropogenic effects. How human activities are altering these transboundary ecosystems
2. Managing climate risk in transboundary ecosystems: Climate change and global warming in the transboundary ecosystems; mitigation, adaptation, geoengineering,
3. Borderlands, cross-border resources, and environmental resilience: Strengthening resilience in borderlands ecosystems, disturbance of ecosystems
4. Building resilience and security: Food security, water security, and livelihoods
5. Climate resilient livelihoods: Climate resilient agricultural practices, adaptive agriculture, agroecology,
6. Data science and geospatial technology for sustainable landscape management:
7. Drivers of landscape change and sustainability at multiple scales:
8. Ecological sustainability in urban landscapes and smart cities
9. Water-Energy-Food nexus

Paper and Poster Abstracts

We invite IALE community and interested persons to submit a 300-word abstract for paper and/or Poster presentation. Note that each person may be listed on multiple abstracts but cannot be the primary author for more than submissions. The abstracts should target one or more of the conference sub-themes and articulate the problem, methods employed, major results and conclusions.

Paper/Poster Abstracts submission portal open: 1st January 2023

Deadline for Paper and Poster abstract submission: 15th February 2023

Latest Notification on abstract acceptance: 31st March 2023
